Overview

Leading Capital Markets Lawyers in Singapore

As Asia's equity and debt capital markets evolve and grow, we stand out as a trusted legal partner across Singapore and the Asia-Pacific region.

Renowned for our deep expertise in equity and debt instruments, our capital markets lawyers advise on a wide range of capital markets offerings, from IPOs and listings across key global exchanges (including the SGX, NYSE, Nasdaq, HKEX, and other major PRC bourses) to rights issues, dual listings, debt issues, liability management exercises, securitisation, and structured debt transactions.

Our Capital Markets practice is an integral part of the transactional services we offer, blending deep expertise with commercial insight across both debt and equity capital markets.

Our Approach and Capabilities

- Integrated practice model: Our capital markets lawyers collaborate seamlessly with other practice groups within our firm, ensuring that every transaction is handled with a 360-degree view of legal, regulatory, and commercial implications.
- Cross-border & regional reach: With our deep Asian presence and global connectivity, our capital markets lawyers excel in regional listings, dual listings, and cross-jurisdictional equity and debt capital raising. The firm's profile emphasises inbound/outbound Asia investment and a wide range of capital markets transactions.
