Shook Lin & Bok

Competition & Antitrust

Overview

Our Competition & Antitrust practice assists clients in navigating competition regulation, providing businesses with practical guidance on managing regulatory risks while pursuing strategic and commercial objectives.

Our team works closely with our Mergers & Acquisitions, Litigation & Dispute Resolution, TMT and ESG practice groups to offer holistic advisory and transactional support to clients on competition law-related matters in Singapore, from merger control analysis and notifications to the Competition and Consumer Commission of Singapore in connection with mergers and acquisitions transaction, to advising on abuse of dominance concerns in proposed business practices.

Our lawyers have experience advising clients across various sectors on competition law considerations – including agriculture, healthcare, chemicals, energy and the environment.

Testimonials

It distinguishes itself through its strong bench of commercially savvy lawyers who consistently provide clear, practical, and solution-oriented advice. They are strongly commercial, able to solve problems and explain technical issues to clients.
